RANH Application for Membership

Professional Members may take full part in the association, set policy, vote, hold office, receive a certificate of membership or renewal card, receive membership mailings, attend all functions, receive discounts on Association sponsored events, use the RANH logo and be listed on the web site.

Associate Members will receive a certificate of membership or renewal card, receive membership mailings, attend all functions, receive discounts on Association sponsored events and use the RANH logo. Associate members may not hold office, vote or set policy. Schools and businesses will be listed on the web site and may use the RANH logo.

Check List:

Read the requirements for membership (Professional or Associate). Complete that area of the form. NOTE: *New membership applications for the Professional level require proof of NH License and ARCB certification plus hours of reflexology only training. Documentation of license and national certification must be attached to process the application.*

1.
Read the verification paragraph; sign your name and the date.
2.
2.
Enclose a check along with the membership application form and copies of documents and mail to the address listed at the bottom of the application form.
- 3.

RANH Volunteers

We encourage you to not only join as a member but also sign up as a volunteer. It takes a village to keep our organization going and as the saying goes, many hands make light work!

There are many ways you can help us continue to grow, so if there is something you excel at, whether it's social media, website design, education, we welcome your support!

****You may have heard that RAA is holding their conference in Portsmouth NH in 2024. This is an amazing opportunity for us and our state. We will be looking for more volunteers as the conference gets closer, so be sure to stay tuned!**

The Importance of Professional Membership Organizations

Further professionalism is demonstrated to your clients when they know you are affiliated with organizations dedicated to maintaining professional and ethical standards. It lets them know you are concerned about the field of reflexology and actively support its growth and development as well as your own continuing education. As a member of an association you are kept informed of the latest developments in the field through continuing education opportunities, conferences and newsletters. When seeking any type of governmental recognition designed to protect your right to practice as a separate modality, the number of reflexologists represented on the local, national, and international levels in associations is important. Reflexologists can support each other everywhere through the strength of numbers created by membership in associations.

State Associations

RANH is committed to establishing the profession of Reflexology, by monitoring laws and regulations in NH, establishing standards and ethics; and promoting continued education for members so they may serve the best interest of their clients and the profession. RANH strives to promote reflexology to the public and other health care professions as an integrative health practice. RANH also encourages communication and cooperation among members, and other Reflexology Associations within the United States and around the world.

RAA

The Reflexology Association of America is a nonprofit membership organization that promotes the scientific and professional advancement of reflexology. Their mission is to elevate and standardize the quality of reflexology services available to the public.

RAA works to unify and support state reflexology associations in order to create one national movement toward greater excellence, integrity, research and public safety. This includes support and representation with state legislation issues as needed.

www.reflexology-usa.org

ARCB

The American Reflexology Certification Board is a nonprofit corporation. As an independent testing agency, offering a national certification program. Its primary aim is to certify the competency of those reflexologists who practice on a professional basis and wish to be recognized as meeting national standards. Involvement with ARCB and national certification is the next step after you have completed a course of study in reflexology and have further developed your hands-on skills by working on clients.

www.arcb.net

RANH Members are encouraged to join the national association, *Reflexology Association of America (RAA)*, as well as look into and like/follow other New England state associations.
